Signature indicates acceptance of the following custodial responsibilities. The custodian:												
1. Must safeguard property from loss, damage, or destruction and, if sensitive property, provide extraordinary physical protection.												
Must promptly report apparent loss, damage, or destruction by completing a Missing, Stolen, or Damaged Government Property Report.												
3. Must promptly report custodian and/or location changes by completing a Property Transfer form.												
4. Must not use the property for other than authorized purposes.												
5. May be held responsible for costs associated with lost or damaged property for which he or she is the custodian.												
Personally Identifiable Information Acknowledgement. As the new custodian, I am aware and knowledgeable of:												
 The definition of PII and the necessity to protect such information. The requirement to remove PII that is not required in my work assignment from this device and associated removable media. 												
 The requirement to remove PII that is not required in my work assignment from this device and associated removable media. If PII is essential for my work or business assignment, I will appropriately encrypt it on this device. If there is a business need to 												
transport the data on removable media, I will use an NREL-supported mobile device. (Contact the Service Operations Center at x4171 for assistance on appropriate and supported encryption).
